Historic Adventures

Nothing compares to the historically dynamic and fun experience of coming to the American West Heritage Center with your family or group for a living history experience. With five different venues open daily during the summer, whatever you choose to do at the American West Heritage Center it will be an adventure!

Summer Camps

Our exciting summer camps give incoming 1st through 6th graders a historic summer experience they will not forget! Both one-day and four-day camps offer learning experiences with farm animals, handcars, tepees, and much more!

Corporate/ Youth Group Team Building

Our pioneer themed teamwork/teambuilding course is patterned after initiative games currently used at “Ropes” courses. It has a historical theme because it employs plausible historical challenges such as river crossings, rigging wagons and outrunning prairie fires as the basis for team building.

Camp Rendezvous

Perfect for youth camps, family reunions, large groups and more. Our group camping sites have fun activities and many opportunities for programming, entertainment, and engaging things to do.
