

Animal Lead – Baby Animal Days

Age 16+

The American West Heritage Center is looking for an Animal Lead to join our team for Baby Animal Days. This position involves leading a small team of volunteers and ensuring a safe, educational, and fun environment for our guests and animals.

Responsibilities:

Safety & Interaction: actively supervise guest-animal interactions to ensure they are conducted properly and safely.

Animal Care: Maintain cleanliness of feed, water, and pens according to USDA standards.

Team Leadership: Lead and support a small team of animal volunteers.

Communication: Communicate updates and needs promptly and accurately to full-time staff.

Qualifications:

Must be comfortable working with animals.

Strong interpersonal skills for interacting with volunteers and the public.

Capable of being on your feet for long periods.
